re: Sierra Liquidity Fund, LLC (Assignee); El Paso Heater & Supply (Assignor), Claim No. 2641

date: Thursday, January 10<sup>th</sup>, 2008

Sierra Liquidity Fund, LLC ("Sierra") has received the Debtor's Response to Notice of Motion for Order Pursuant to 11 U.S.C. §§ 105(a) and 502(c) Estimating or Provisionally Allowing Claim for Purposes of Administration of Discount Rights Offering requesting that the above claim in the amount of \$4,944.50 be provisionally allowed or estimated as an Unreconciled Claim, solely for purposes of distributing the Discount Rights in the amount of \$3,654.50.

Sierra Liquidity Fund, LLC (Assignee) and El Paso Heater & Supply (Assignor), Claim No. 2641 Object to this Objection.

1. This response is borne out of pure necessity. Sierra supports the Debtors' proposed plan of reorganization and is not seeking to derail its confirmation in any way. In connection with resolution of certain objections Sierra, along with other members of the Ad Hoc Trade Committee had to the Debtors' proposed plan of reorganization, Disclosure Statement and EPCA Amendment Motion, the Debtors agreed to "to use commercially reasonable efforts to reconcile, and if agreed, allow on or before the confirmation date trade claims held by" the members of the Ad Hoc Trade Committee.
2. During the past couple weeks, Sierra has worked closely with the Debtors to reach an agreement, consensually resolving and allowing all of Sierra's claims, including Claim No. 2641.
3. While the Debtors had indicated to Sierra that a stipulation and settlement agreement resolving and allowing all of Sierra's claims, including Claim No. 2641 should be able to be drafted and fully executed prior to the January 11<sup>th</sup>, 2008 objection deadline, as of today, January 10<sup>th</sup>, 2008, no such stipulation and settlement agreement has been delivered to Sierra for signature.
4. As such, in an abundance of caution, Sierra is filing this objection response to the Notice of Motion for Order Pursuant to 11 U.S.C. §§ 105(a) and 502(c) Estimating or Provisionally Allowing Claim for Purposes of Administration of Discount Rights Offering.
5. In the event, Sierra is able, as we hope, to reach an agreement with the Debtors resolving and allowing all of Sierra's claims, including Claim # 2641, then Sierra will withdraw this response.

Please contact any of the following at your earliest convenience to resolve the objection.
